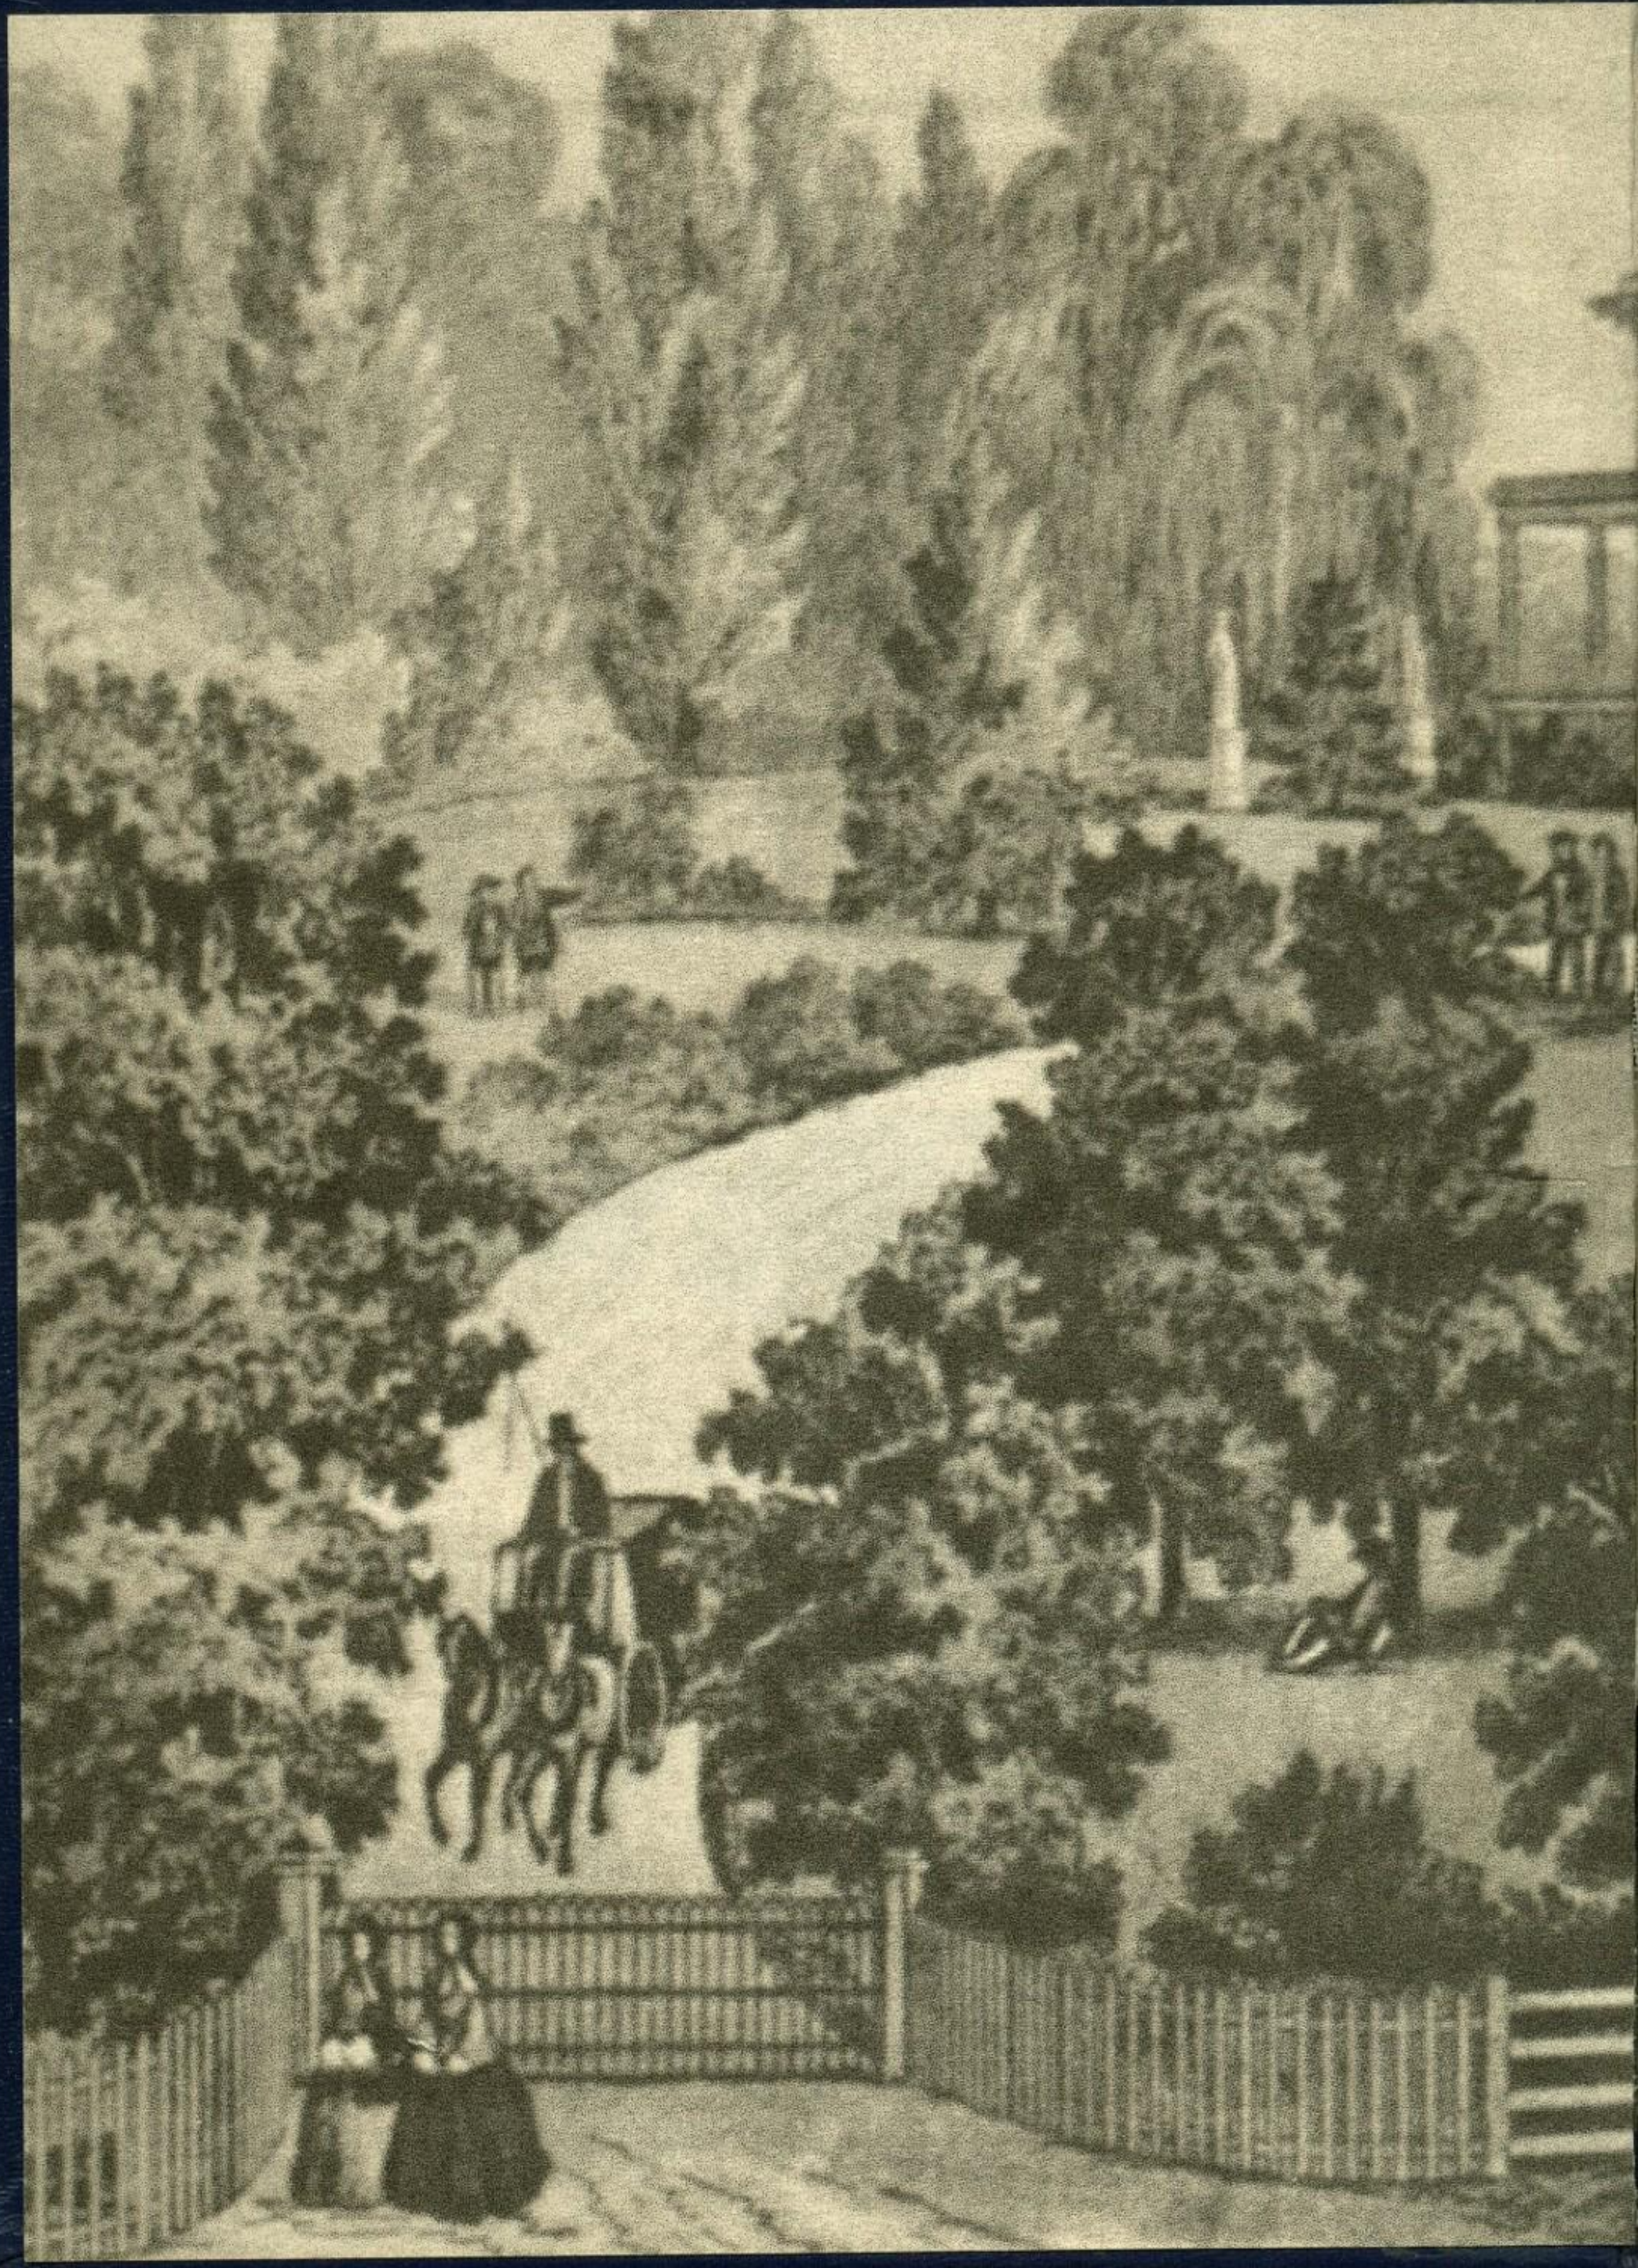
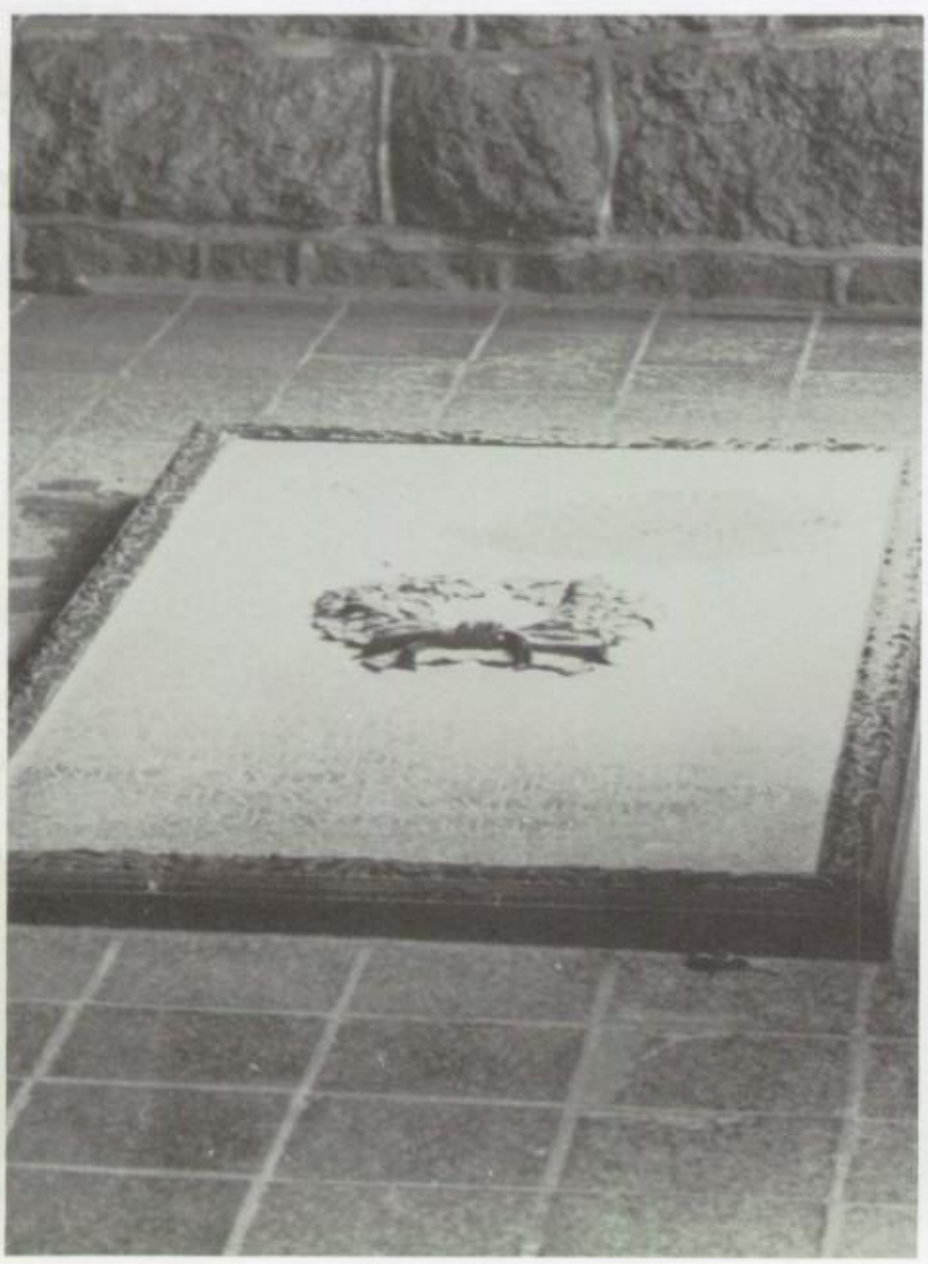
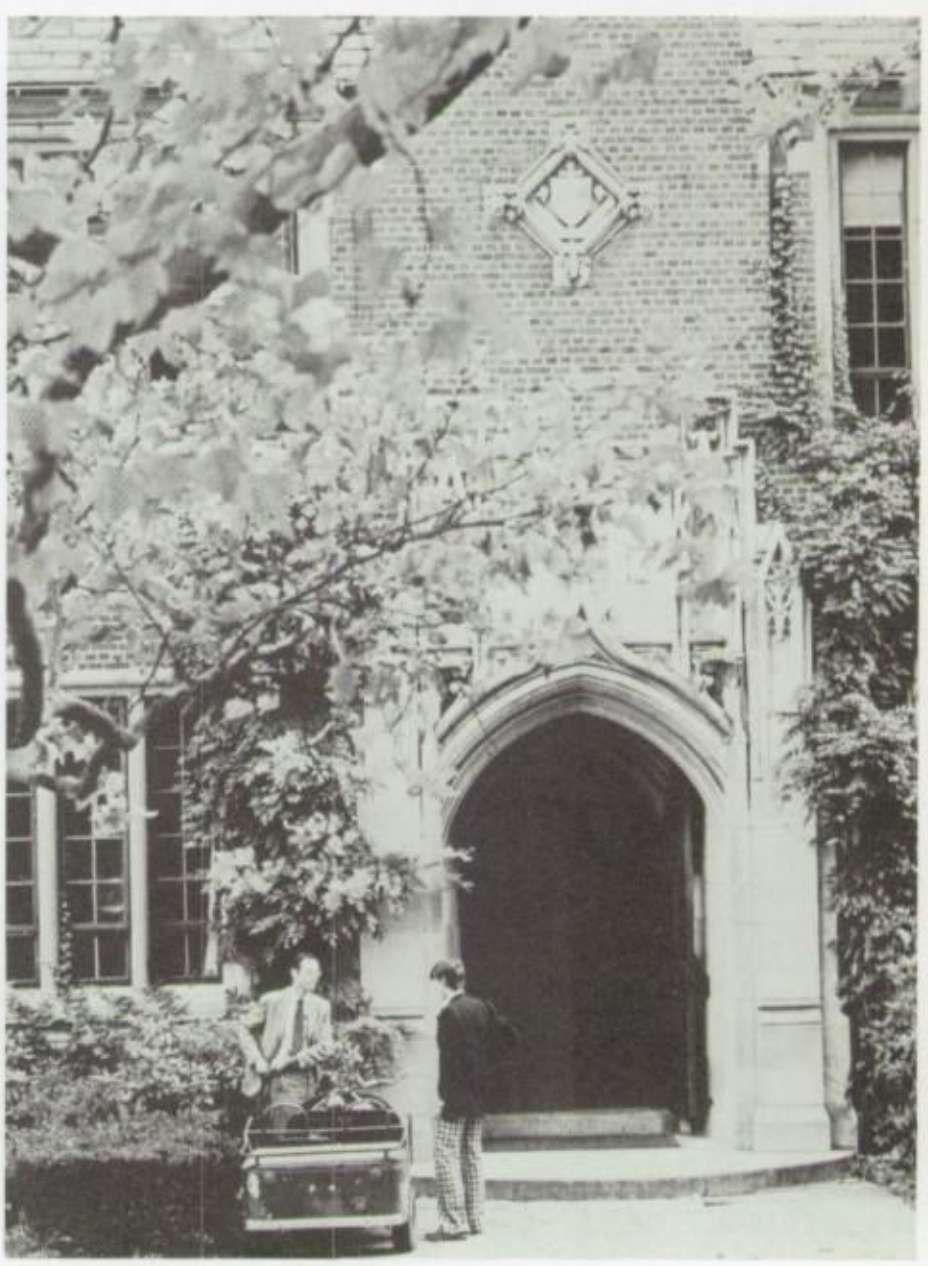
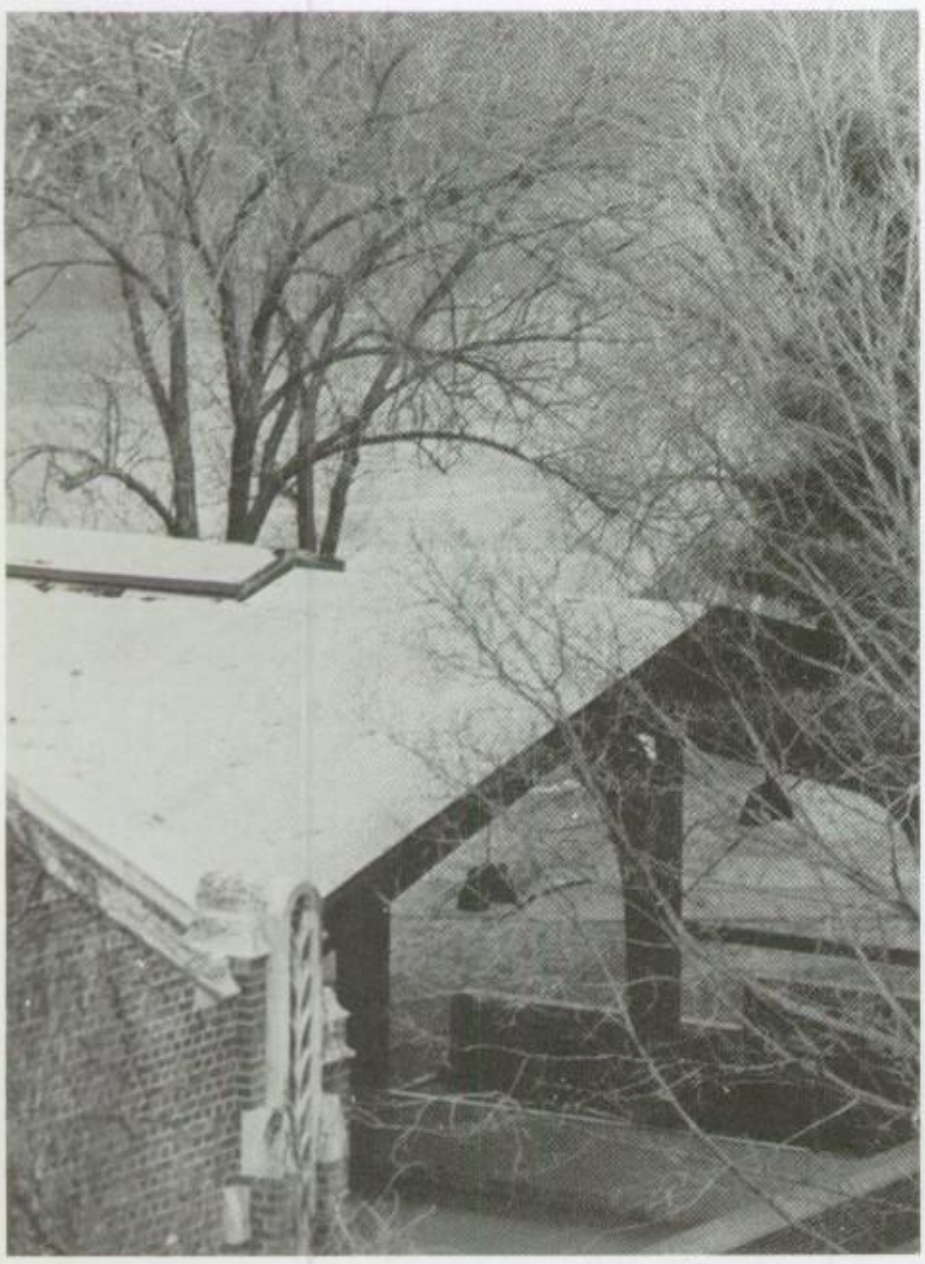
THE HILL SCHOOL
WHATSOEVER THINGS ARE TRUE
1851



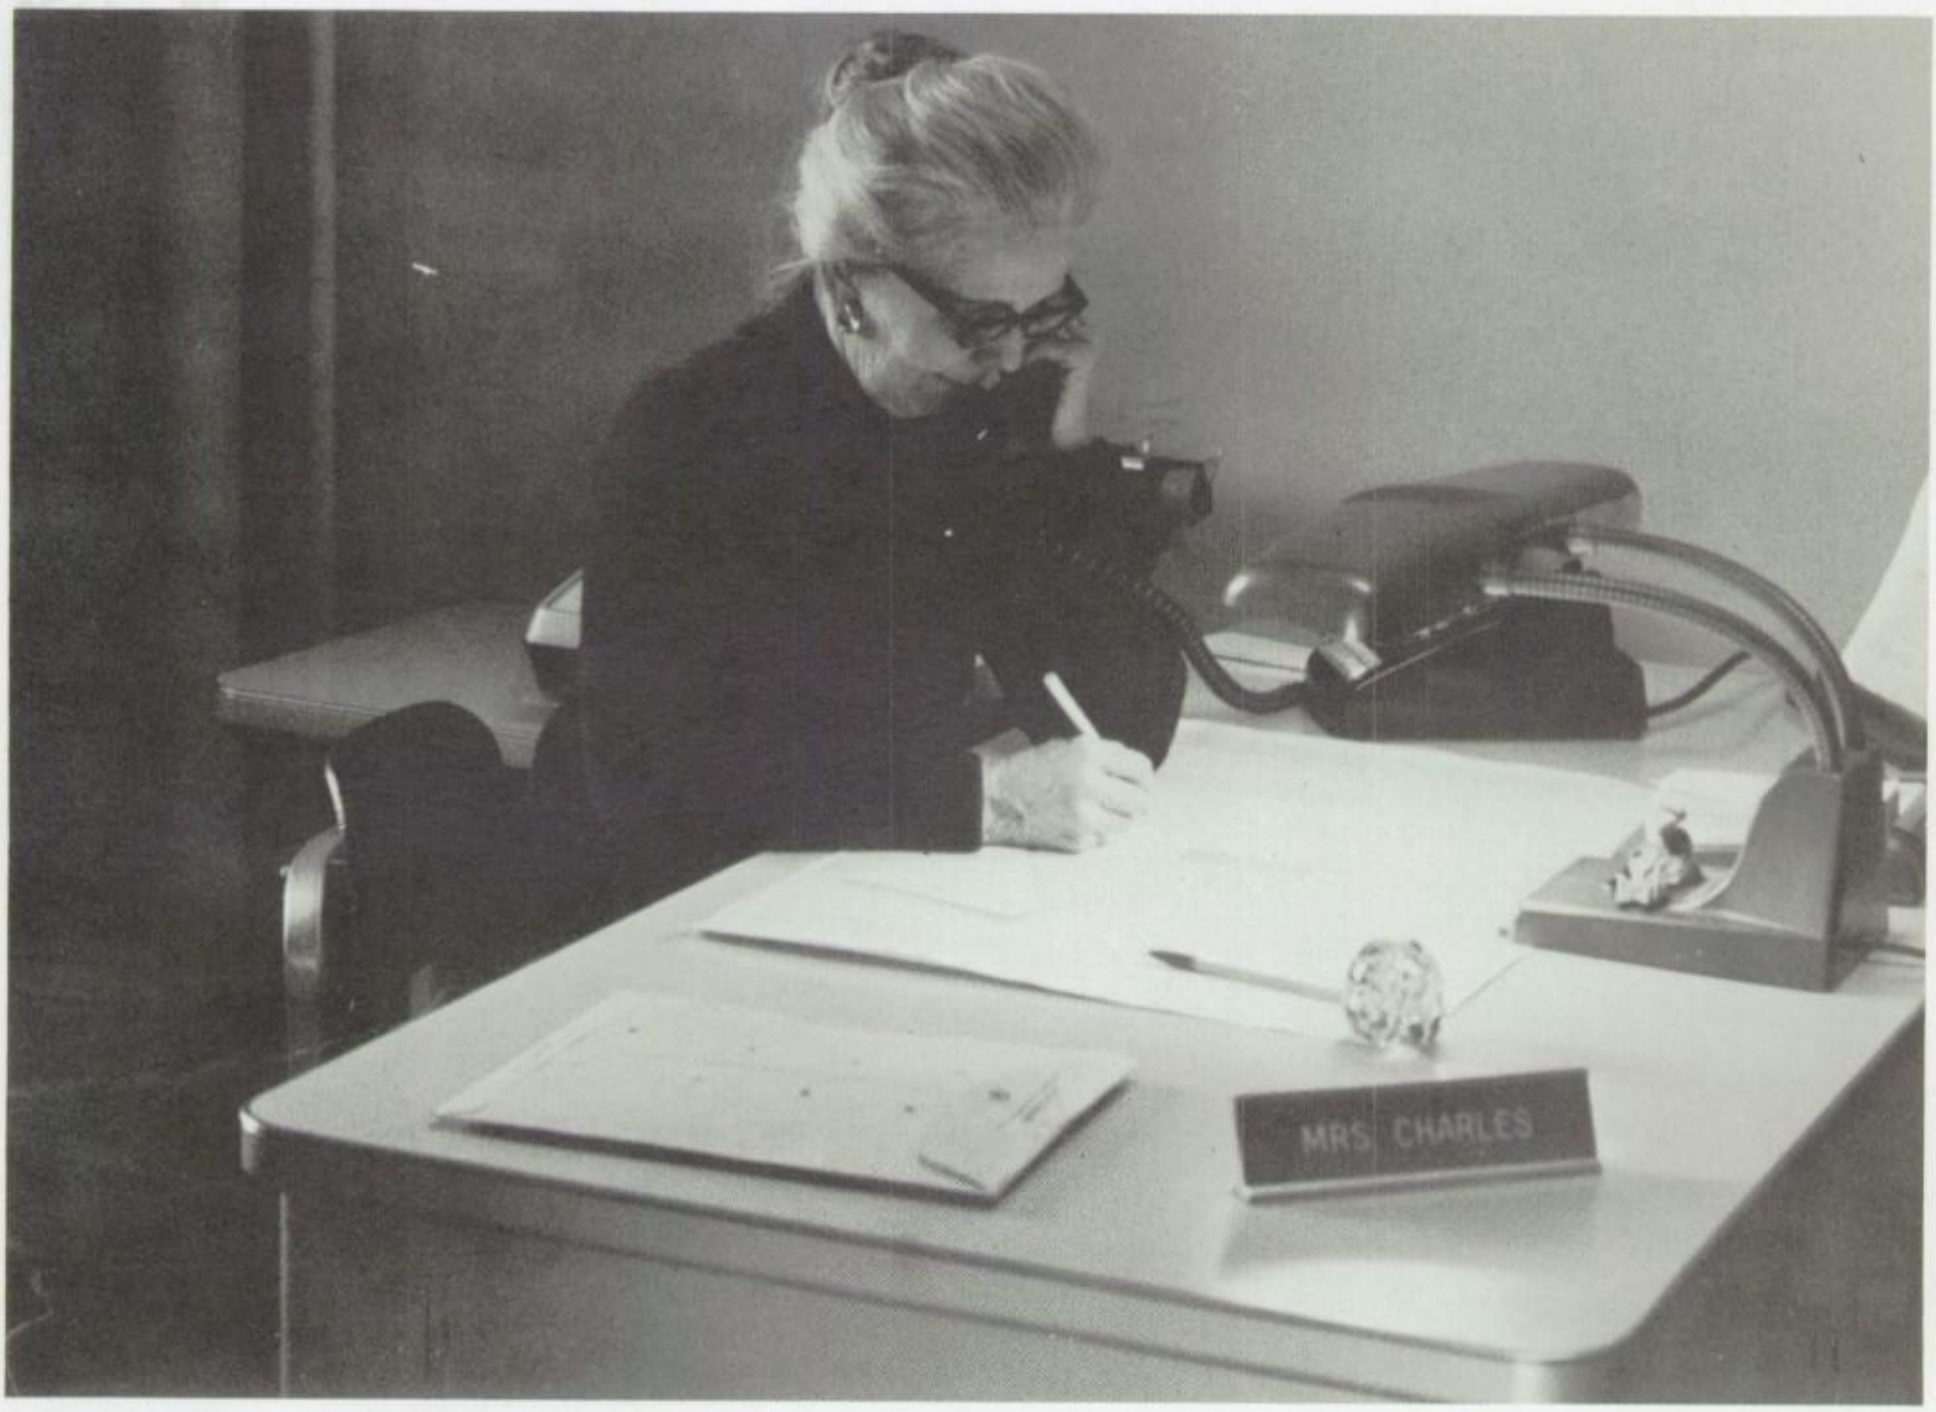
THE HILL SCHOOL
A COLLEGE PREPARATORY SCHOOL
FOR BOYS FOUNDED IN 1851 BY THE
REVEREND MATTHEW MEIGS, LL.D.,
HEADMASTER 1851-1876, WHO WAS
SUCCEEDED BY HIS SON, JOHN MEIGS,
PH.D., HEADMASTER 1876-1911. THE HILL
IS OPERATED NOT FOR PROFIT UNDER
THE CONTROL OF THE ALUMNI.





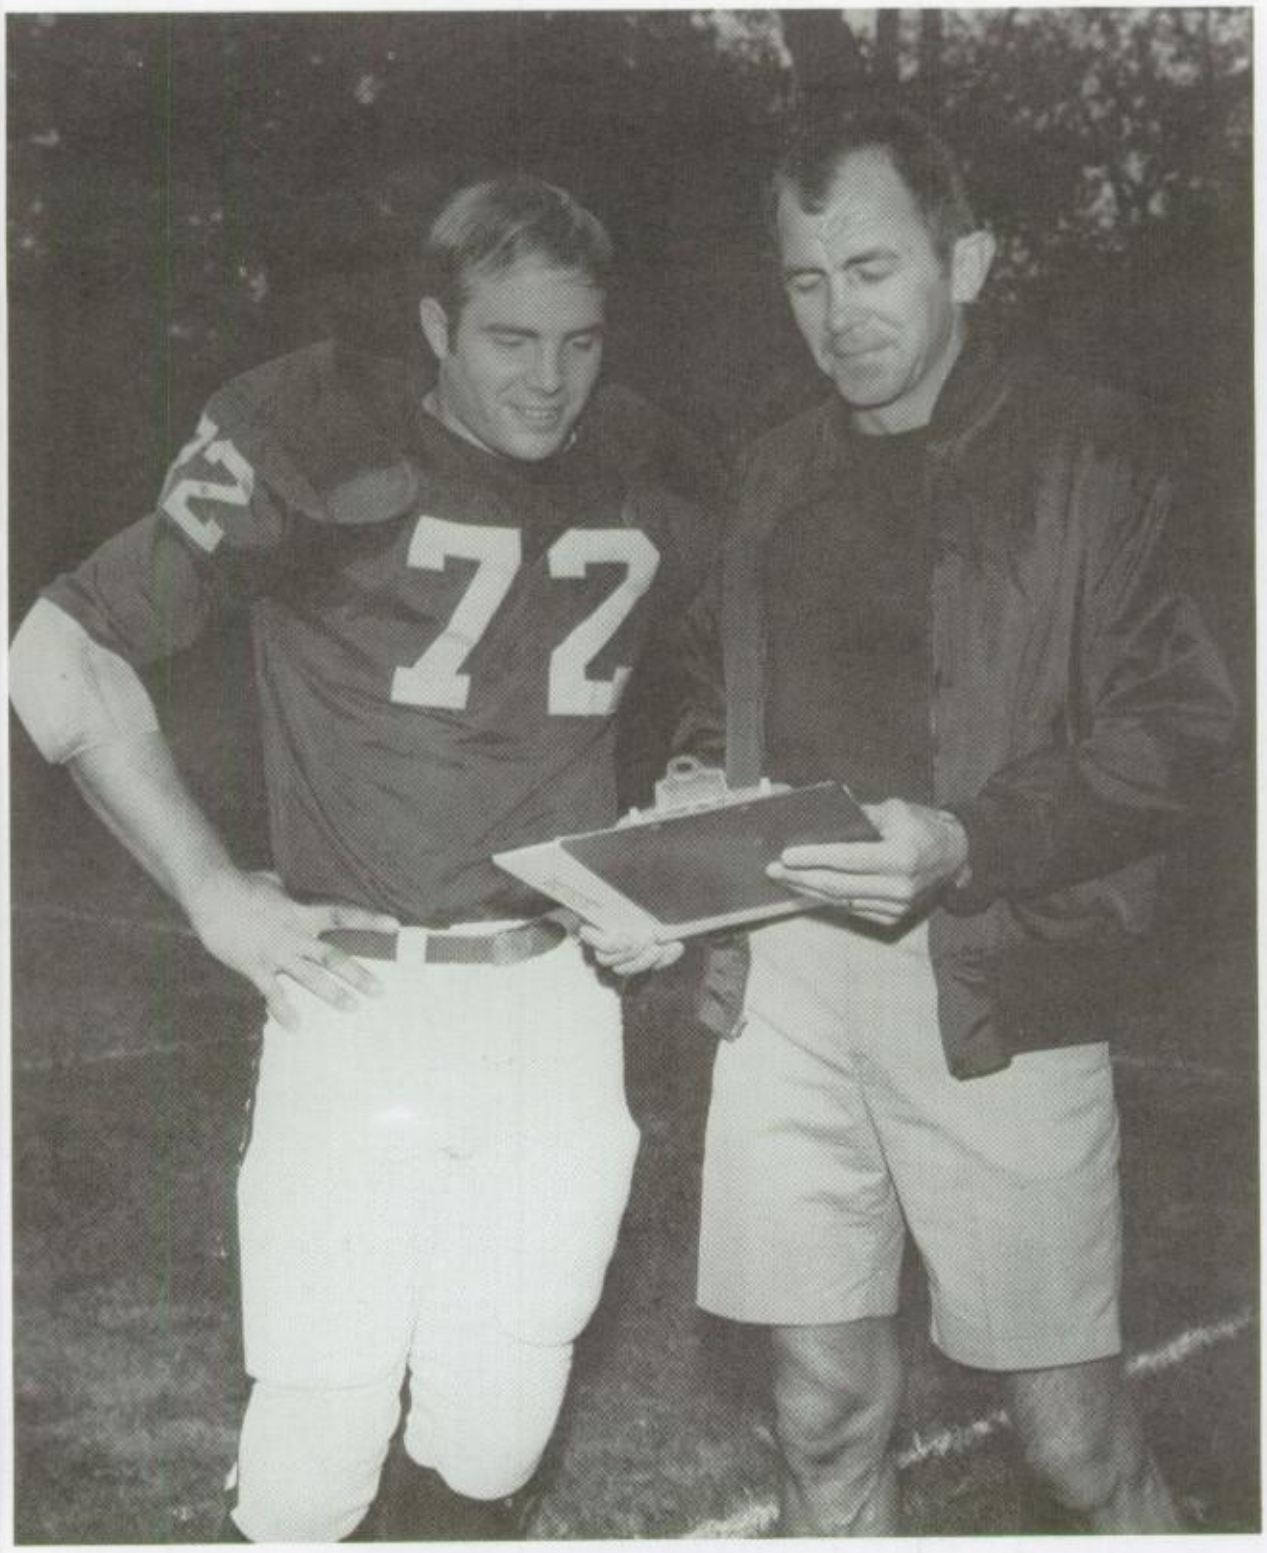


IN APPRECIATION



MRS. KAY CHARLES

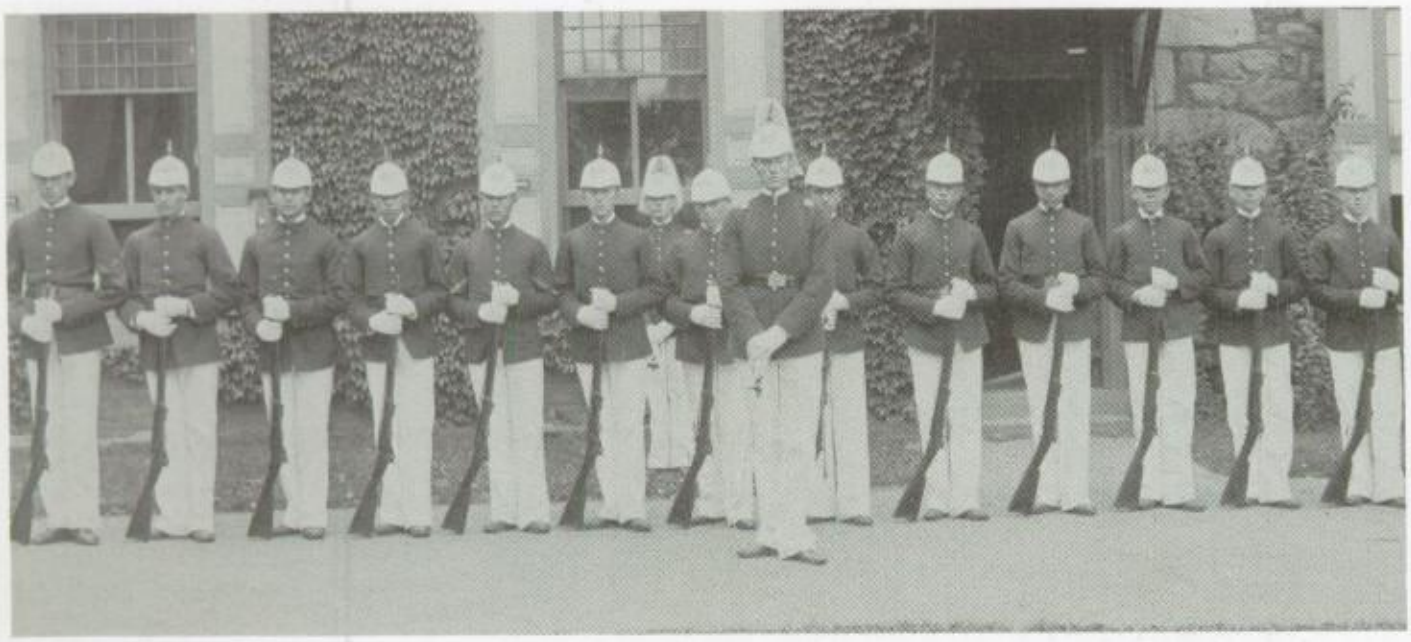
For her years of dedicated service.

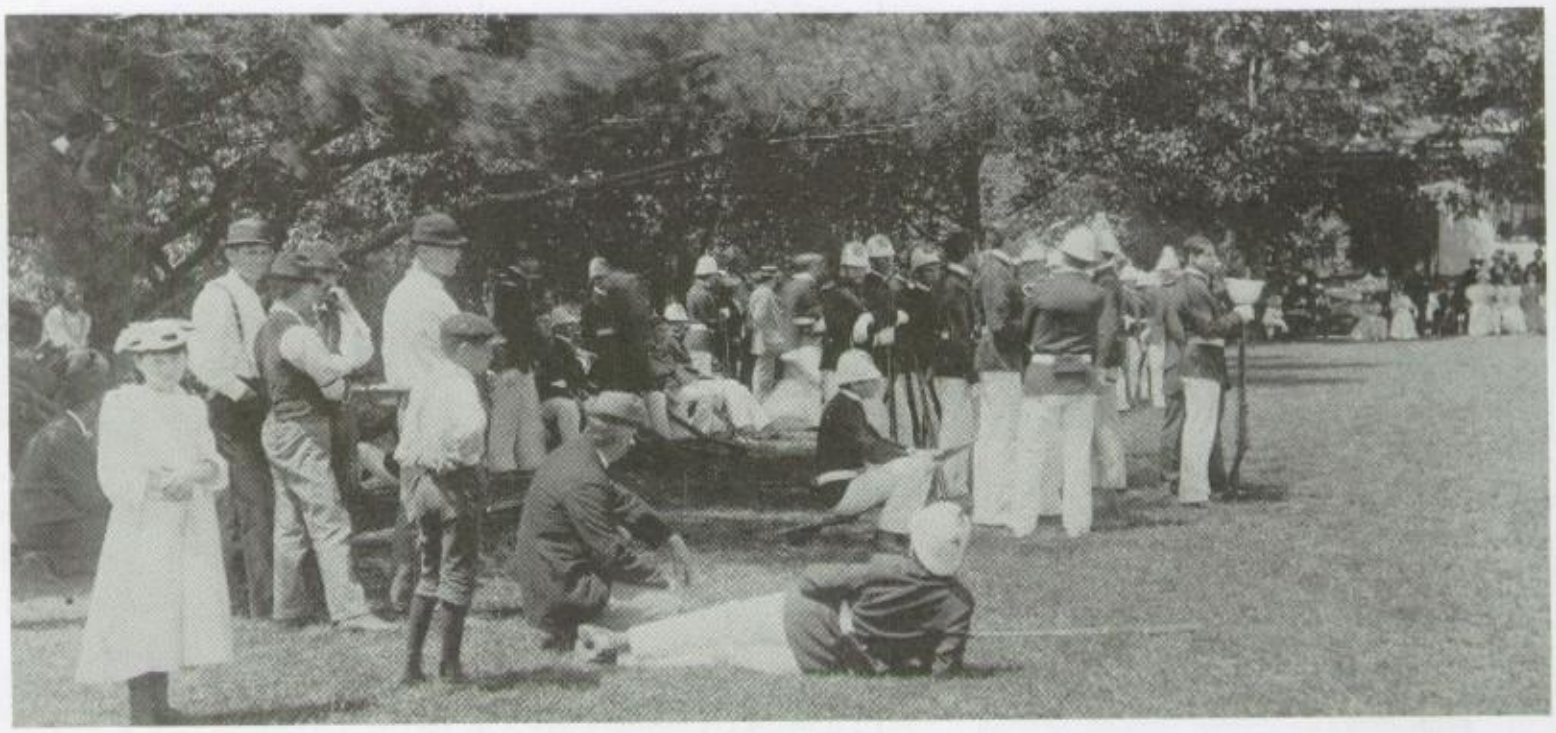


DEDICATION

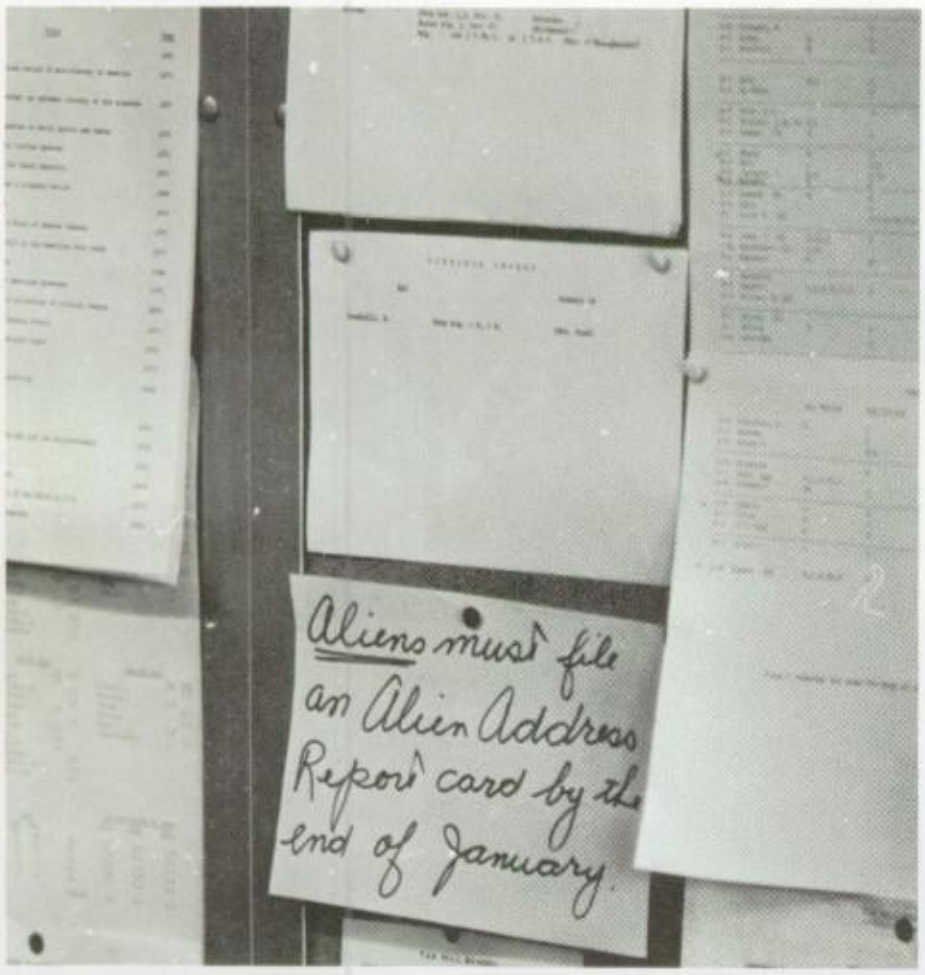
In the closeness of our community, each member must do his part for the benefit of our lives and ourselves. It is not often that one man surpasses his requirements as a teacher, coach, advisor, and friend. We have been very fortunate that this man has shared with us part of his life as a sacrifice for our education. We hope that this dedication will be a lasting symbol of the respect and admiration that the Class of 1976 has for

RICHARD E. O'SAUGHNESSY





In 1851, Matthew Meigs gathered a few students and opened a new school on a hill in the Schuylkill Valley . . .



and now, 125 years later . . .

Mr. Charles C. Watson

Headmaster

The Class of 1976:

The Class to which this letter is dedicated has already set itself aside as a distinguishing one since its Commencement coincides with the celebration of the Hill's one hundred and twenty-fifth anniversary. That, in itself, is enough to give this Class a special place in the history of the School.

There are, however, other characteristics of this Sixth Form that will also cause it long to be remembered by all of us who knew it. Two years ago this group of Sixth Formers suffered the double tragedies of the death of Mr. Morgan, the Chairman of the English Department and a teacher of extraordinary quality, and the loss, through fire, of the John Meigs House. In the Fifth Form, the Class watched as the deepening depression spread to its families as well as to the School and the hardships imposed by the crisis affected in untold ways all of us.

It would seem now that things are better, both here at the Hill and in the country. I would be remiss, however, if I did not warn you that certainly all is not well. The ability to manufacture nuclear weapons continues to become available to nations whose judgements may not be entirely rational. Employment opportunities for college graduates are remote and frequently altogether absent in certain fields. Famine continues its devasting work among the multitudes of Africa and Asia and, in the United States, corruption has become, so it seems, morally acceptable.

Your years at the Hill did not, nor should they have, provide you with the skills needed to resolve any of these problems. Those technical abilities you will acquire later.

What the Hill did provide you with, however, are those certain and exacting standards of thinking and evaluating which come from acquiring a broad and general knowledge that is the mark of all truly educated people. Maintain those standards throughout your life, for they may be the most precious qualities that you will ever possess.

To the Class of 1976, Godspeed and best wishes.

Sincerely,

Charles C. Watson

BEGINNINGS

THE JOHN MEIGS HOUSE

"A school that is 125 years old must have something going for it, and I for one am confident that the Hill's future will be as bright as its past."

— Edward T. Hall
Headmaster 1952-1968

Student's Room

Middle School

"Well I looked into the house I once lived in
Around the time I first went on my own,
When the roads were as many
As the places I have dreamed of
And my friends and I were one . . .

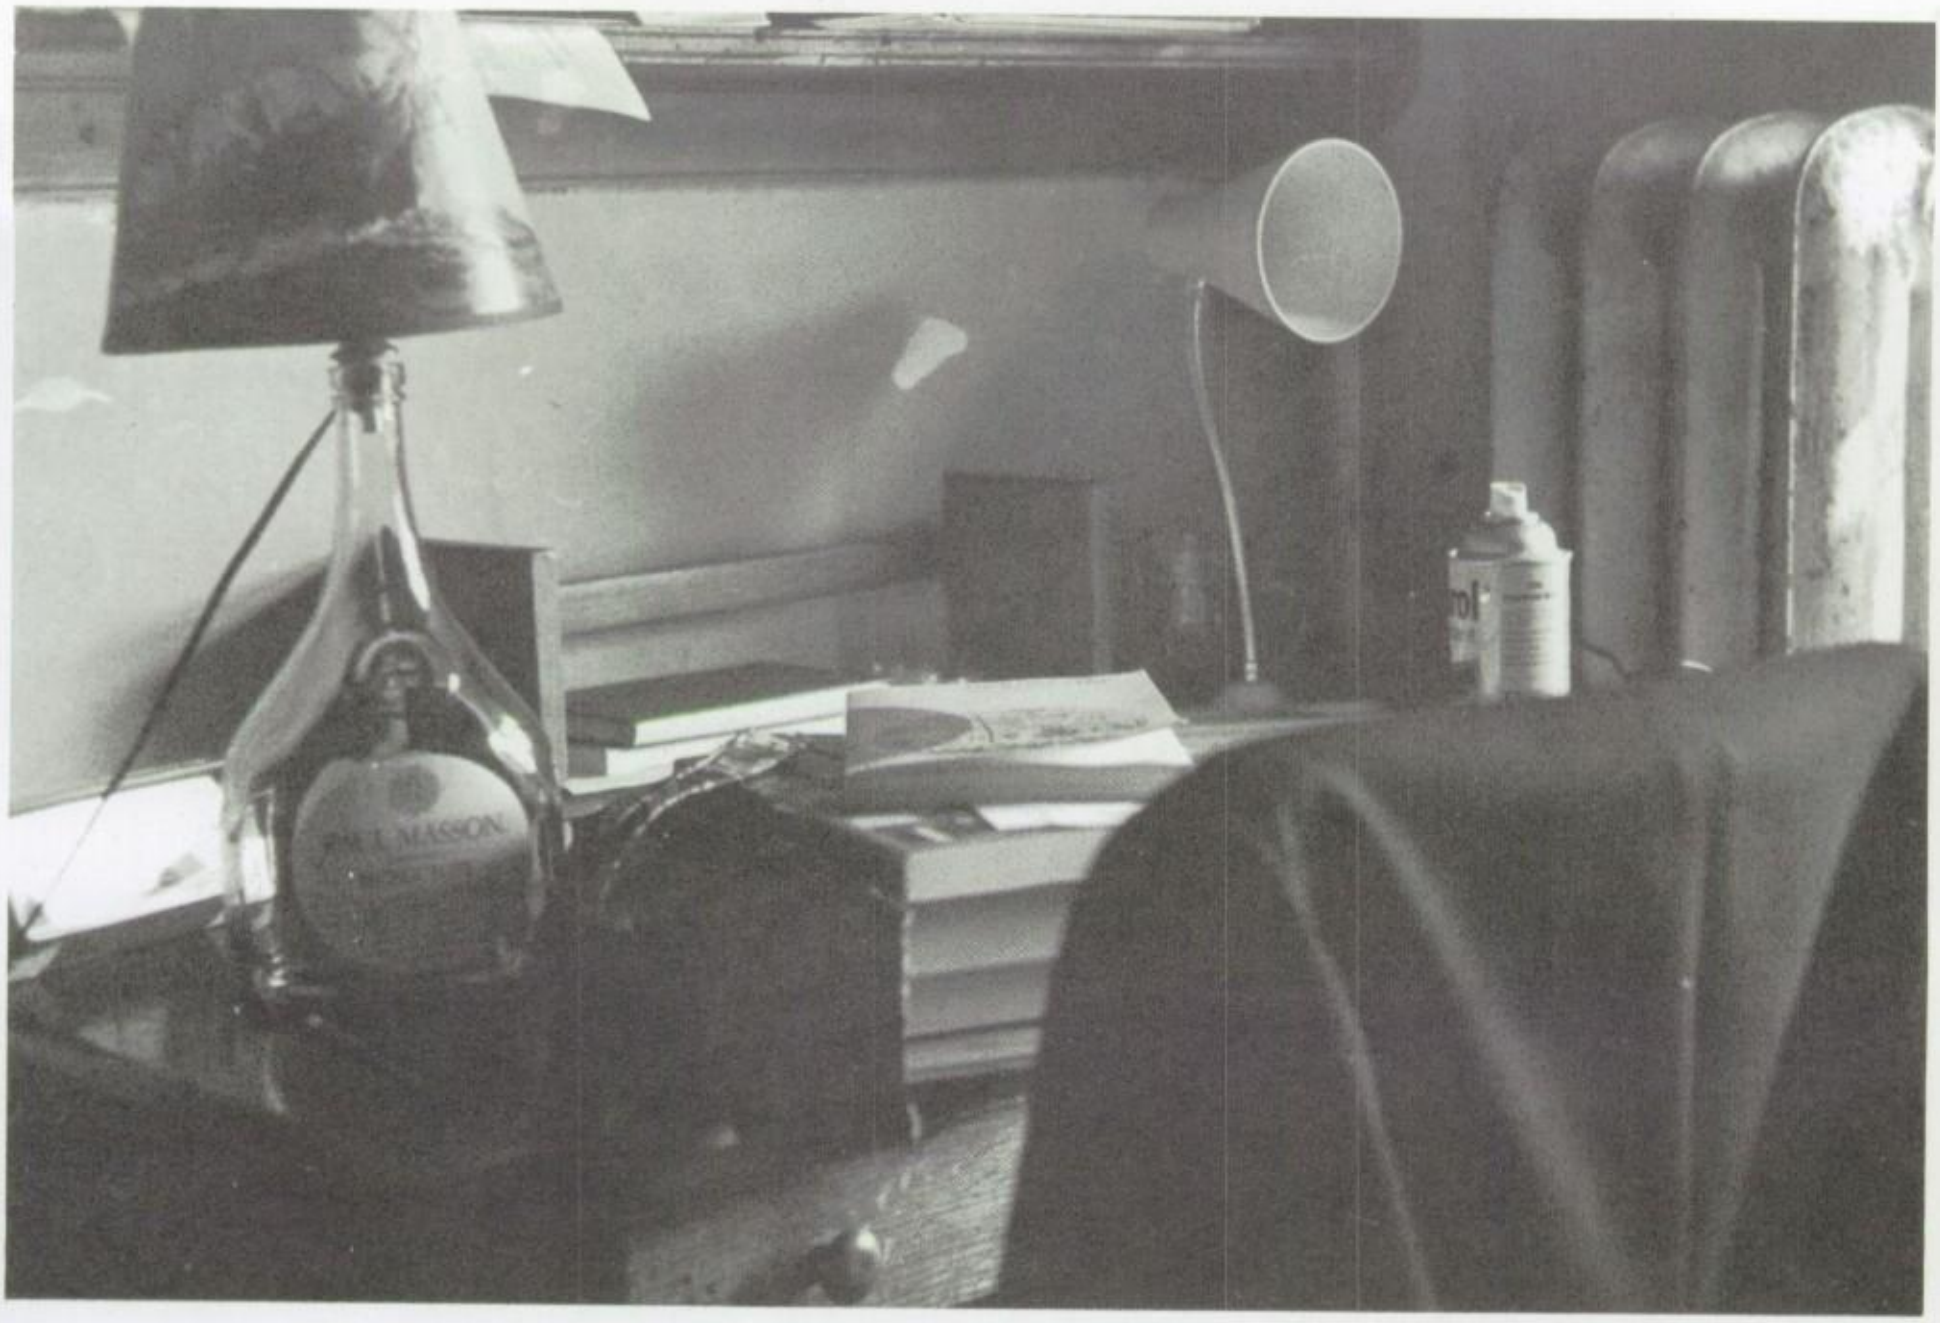
IMAGINE THIS . . .

1. In the place of Monday classes, there were two study periods held for those whose work had been unsatisfactory.
2. Sunday evenings were reserved for reading by the Master in underform halls. Sixth Formers were encouraged to visit masters in their homes at this time.
3. Chapel was held seven days a week and twice on Sunday.
4. The Fifth and Sixth Forms were required to attend one of two debate clubs on Saturday night after Chapel.
5. Students who had achieved an excellent grade average could be exempted from Autumn and Spring Exams. They also could be awarded as much as two weeks extra vacation.
6. The unique Thanksgiving Day Trilogy included a Sixth Form fair, various sports and contests on the Dell Field and in the gymnasium. All the forms participated on relatively even basis.
7. Everyday before breakfast each Hallmaster made both a room and a personal hygiene inspection, the latter of which included neatness of hair, clothes, face and teeth.
8. Attendance at the Saturday night movie was required by all but the Sixth Form. At some point during the movie a buzzer would sound, this would signal the time for "Creams" These were ice cream feeds held in the dining hall which all forms were required to attend. This meant that the seniors who did not attend the movie had to remain near enough to the center of activity to hear the buzzer sound.

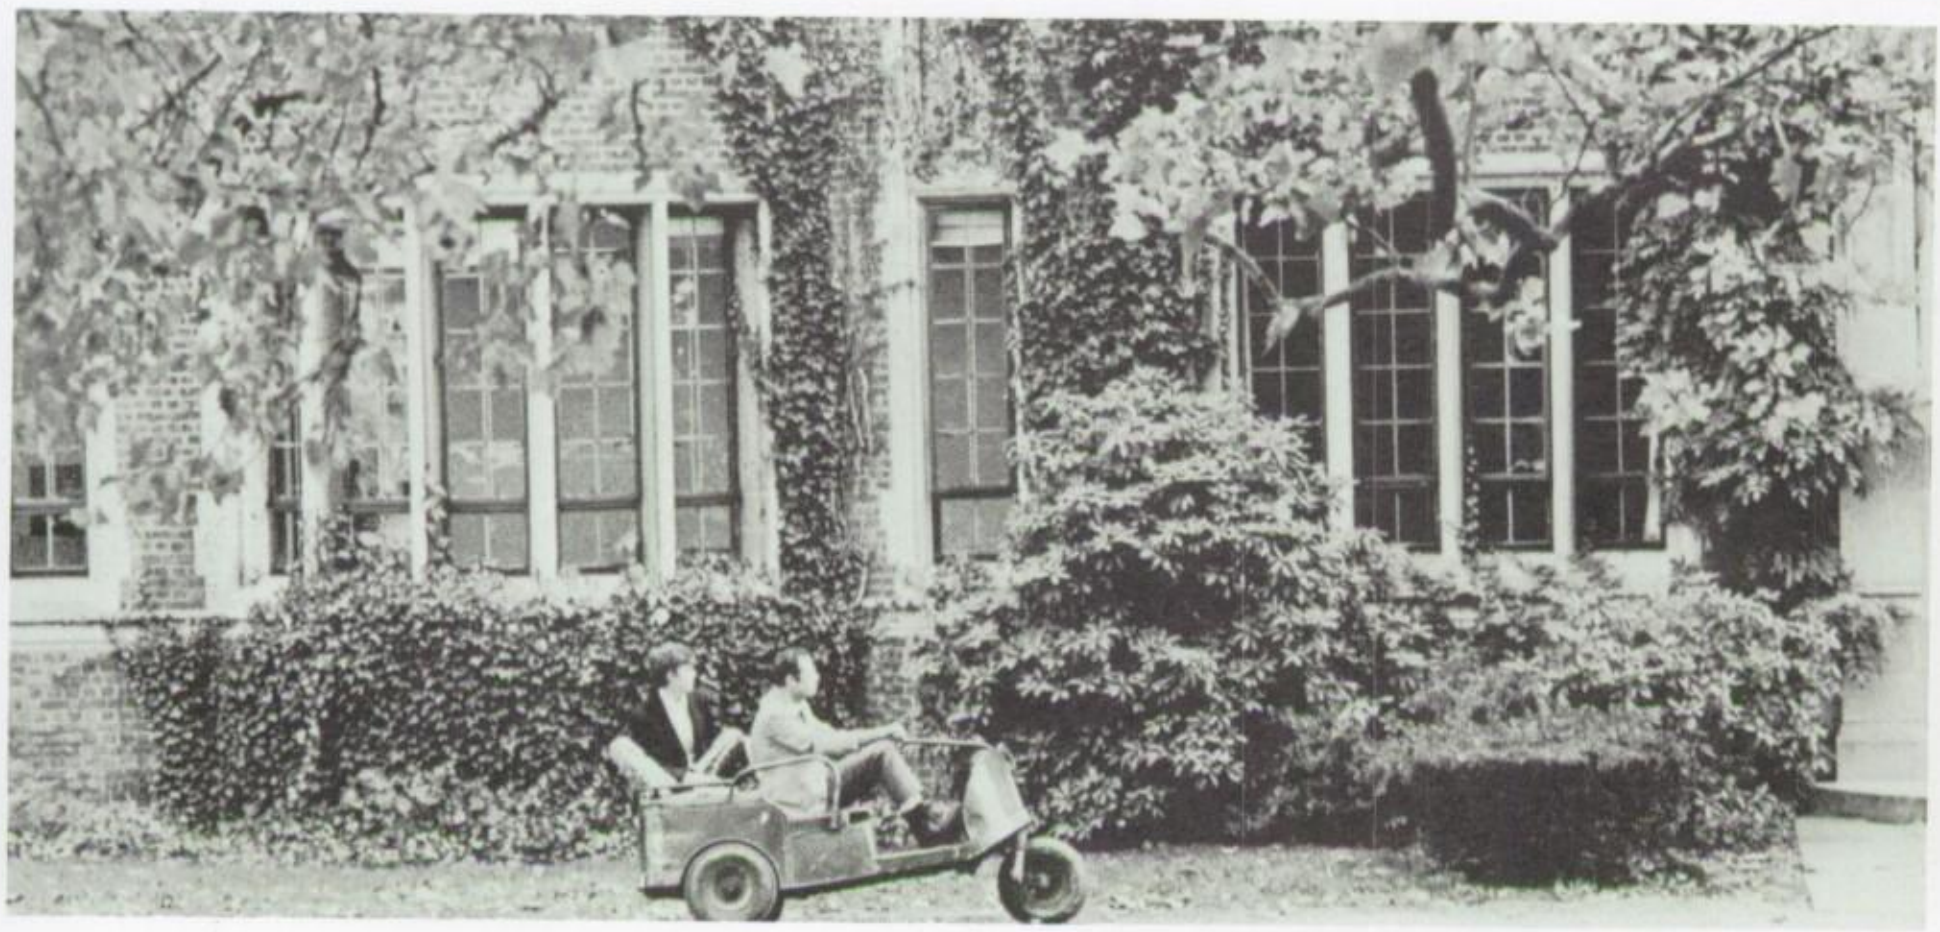
The Dial wishes to thank "Pop" Saunders, Instructor at The Hill from 1926 to 1972, for making this information available.

"Let's all get together soon,
before it is too late.
Forget about the past,
and let your feelings fade away,
If you do I'm sure you'll see,
the end is not that near . . .



Where do we go, where do we go, where do we go from here?"

– Chicago



"Can it be that it was all so simple then,
or has time rewritten every line?
If we had the chance to do it all again,
tell me would we?
Could we?

Mem'ries, may be beautiful and yet,
what's too painful to remember,
we simply chose to forget.
So it's the laughter we will remember,
whenever we remember,
the way we were . . . "

— Barbra Streisand
